MOOD:  cheerful

MUSIC: The Dresden Dolls - My Alcoholic Friends

Because I have ten tickets to the Pietasters
(<https://www.livejournal.com/away?to=http%3A//www.myspace.com/the Pietasters>) at the 9:30 Club on Halloween. Which means you, Platypus, need to find a date. And so do you, Duke. And I already asked Wonder Woman, so no cheating that way.

And all of you need to start working on your costumes, *because we're going to win that contest*
(<https://www.livejournal.com/away?to=http%3A//www.930.com/fs.php%3Fx%3D1280%26ba%3DMOZILLA%26bv%3D5.0%26bp%3DWin>).

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

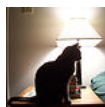

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

I read that as "Poetasters" and thought, "They're going as Apollo and the Muses?"

When I said I had the body of a Greek god, what I meant Dionysus.

Which is more of a brag than you might assume.

The six-pack is nice, but I don't see you with man-boobs.

Besides, Sweetcheeks, that's a callow youth. You've got some road-testing going for you.

Antioxidants in the wine keep me young.

No, but that would make a great name for an R&B band!

Yikes. Looking at the November schedule, I think we're gonna *have* to win that contest. Because there's no way a federal employee salary is going to pay all those cover charges.

You got ten tickets?

This is my "thank you all for making my wedding the best day of my life" party. Also, birthday party for my best pal!

I spared no expense!
